

## Unframed Whiteboard, coated steel surface, 100x100 cm

If you're looking for a sleek and timeless whiteboard for the office or for working from home, this Unframed Whiteboard from Smit Visual is the ideal choice. The modernity of a frameless whiteboard comes from the timeless design. And because there is no frame around it, it is also possible to hang several boards against each other with a minimal seam.

- Sleek frameless whiteboard
- Only 4 mm thin, but extremely strong, rigid and break-resistant material
- 12 mm wall writing surface depth
- Easy assembly
- Suitable for creating a whiteboard wall with several panels
- Lacquered steel writing surface with 5-year guarantee
- Suitable for all whiteboard markers
