

Zones & Room Environments

A variety of Early Years Zones & Room Environments, created to provide inspiration for your setting. Each one features a selection of co-ordinated furniture, carefully selected to achieve a themed area or enclosure.

Create your Explorer Zone...

In creating room plans, we apply our expert knowledge and experience, to ensure we create a space which not only meets aesthetic expectations but also delivers a functional and flexible solution. Whilst we understand that all requirements vary, for inspiration we've created this Baby Room Environment, which demonstrates the key furniture elements required to deliver a practical and nurturing space.

Free Room Planning

We offer a completely free and comprehensive space planning service for our customers, and with over 40 years experience making resources for schools and nurseries, our team of experts know how to design a space which is not only great to be in, but conducive to learning, development and play.

Utilising our team of industry experienced design engineers, we can handle any size of project, from a small room, to an entire school or nursery, including any outdoor space you may have. We can work from architectural drawings or alternatively, one of our sales team can arrange a site visit. As part of this service we will supply detailed drawings and a comprehensive quote, plus practical advice and product information.

So, let us take the hassle out of the project for you, and give us a call on **0800 612 5432** or email **sales@boardsdirect.co.uk** to discuss your requirements.

Indoor Room Planning

Expert Advice

We apply our knowledge and experience of early years environments, to ensure we create a space which not only meets aesthetic expectations, but delivers a functional and flexible solution that will work for you.

Outdoor Space Planning

About Us

Why choose us?

Millhouse have a proven track record in designing, manufacturing and supplying educational furniture, toys and resources for over 40 years. Our Early Years range has been created to offer you a variety of premium products, which represent the very best in quality, safety and value.

UK Manufacturing

Millhouse is proud to be a UK manufacturer. Our furniture is expertly crafted by our skilled and experienced team, in an accredited ISO 9001 and ISO 14001 environment. Constructed from the finest materials, our products conform to European safety standards EN71, EN1176 and EN16121 (where applicable), ensuring outstanding quality and reliability.

Quality

All Millhouse furniture is manufactured in the UK from premium grade maple melamine. This provides a hard-wearing, scratch resistant, easy clean surface that can be cleaned with anti-bacterial sprays.

10 Year Guarantee

By combining traditional woodworking with modern fixings, our furniture is engineered to last, that's why all furniture comes with a 10 year guarantee. *(Excludes baskets, tubs, trays and other consumable items, all of which have a 1 year guarantee).*

Easy Access

All items in the range are designed to be easily accessible by children, enabling them to explore their environment.

Fully Assembled

The vast majority of our furniture products are delivered fully assembled to save you hassle and time. Products which cannot be delivered fully assembled, usually only require simple self-assembly using one of the Allen keys provided.

What makes us different?

We understand the requirements of an early years environment – we know that children need a secure, safe, nurturing environment within which they can explore, learn and grow. Furthermore, we appreciate that the environment has to be highly functional, practical and flexible. Our products have been designed with all of this in mind and more.

Expert Advice & Room Planning

Our dedicated team are always on hand for help and advice. So, whether you have a detailed vision, or need inspiration, we can provide a furniture solution which is right for you. Our room planning service is free and we'd be delighted to help with any size project (see page 5 for further information).

Gold Service Delivery

Benefit from our Free Gold Delivery service when you purchase one of our Early Years Zones (excludes Mini Zones), or spend more than £3,000 (exl. VAT). Our team will deliver, unpack, and configure the units in a room of your choice, on a day that is convenient for you. We'll even take the packaging away.

Birth to 5 Environments

We've grouped the majority of our storage furniture into low, medium and tall height units so that its easy to identify which furniture is best suited to which age group. The lowest units have a height of 320mm, which is ideal for 0-2 years.

Flexibility

There is no complicated or expensive method of joining the furniture, products simply butt together, providing the flexibility to quickly and easily re-configure environments.

Innovation

Many of our products have innovative features which add versatility and value to our products. These include: a soft Velcro surface on the reverse of units for display and unit add-ons which can be used to turn furniture into practical room dividers.
