RICOCHET WOBBLE STOOL

An active sit for engaged learning

Ricochet stools support student movement, which is essential for cognitive development. Featuring a rounded base for an active sit, Ricochet stools offer freedom to fidget, which can help keep bodies and minds engaged. With its small scale and light weight, Ricochet is easy for students and teachers alike to carry and reposition as needed. When flipped, the gently concaved top with waterfall edge nests with the convex base to stack up to 3-high. Ricochet comes in five heights from 300mm to 500mm for students of all ages. The colour options offer playful appeal, while all-poly construction and a nonslip base design ensure durability and stability for years to come.

Indoor Advantage™ Gold - Furniture

This product is certified to Indoor Advantage™ Gold - Furniture, making it suitable for many building rating systems, including LEED v4, BREEAM, & WELL Building.

OTHER INFORMATION

Care & Maintenance Instructions

Proper care and careful use are the best methods of maintaining the appearance and finish of any product.

Polypropylene

For normal cleaning of poly shells, use a soft cloth with mild soap or detergent and lukewarm water. Do not use solvents, citrus/orange-based cleaners, or heavy-duty kitchen cleaners. Remove chewing gum and similar stubborn spots with cigarette lighter fluid. Wipe dry immediately. A general, non-abrasive all-purpose cleaner is ideal for light cleaning and to restore lustre to smooth surfaces. Its anti-static properties help repel dust and dirt. High-quality wax restores lustre and protects the finish.

KI (UK) Ltd Rights & Warranties

15 year warranty.

Environmental Information

Materials

- 74.3% Polypropylene
- 7.5% PVC
- 18.2% Steel
- 5.3% overall recycled content

Packaging & shipping

Small orders shipped in individual 100% recyclable cardboard cartons. Large orders shipped in individual 100% recyclable cardboard cartons on wooden pallets

Certification

- [Indoor Advantage™ Gold - Furniture](#)
This product has been independently assessed by SCS Global Services to be certified for low volatile organic compound (VOC) emissions. The Indoor Advantage™ Gold standard aligns with both ANSI/BIFMA M7.1 and X7.1, and CA01350. Suitable for projects aiming to achieve [SKA](#), [BREEAM](#), [WELL](#), [LEED v4](#) and more.
- **BIFMA X5.1-2017**
Exceeds BIFMA's X5.1-2017 seating durability test and drop test
- [400 pound \(181kg\) Weight Rating](#)
Passes KI's internal standard testing for 400-pound (181kg) capacity. Seat Weight Rating refers to a seat's functional weight rating based on testing conducted by and within KI's Accredited Test Lab.
